

SUPERIOR SELECTION

SPG offers all kinds of carts in a wide range of sizes, styles and materials — including stainless steel, aluminum, wire, steel and plastic — all designed to deliver better performance, efficiency and economy.

Kelmax Rocket Cart

Sure to be one of the most used pieces of equipment in your organization, this incredible workhorse can be reconfigured quickly and easily to handle a wide range of jobs.

- Ergonomic and space-saving design improves stocking efficiencies and maximizes labor savings
- Galvanized steel construction provides strength, durability and an extended service life
- Vertical supports and shelf collapse and fold in to allow for nesting of several units to conserve valuable backroom space
- Split shelf design makes it easier to stack product
- Dual shelf designed to handle a variety of package sizes or provide a flat, stable work surface
- Compact design reduces aisle congestion and promotes safer, easier shopping experience for customers
- Includes a convenient pull handle, paper towel holder, and a hook to hang a trash bag

Model No.	Overall Dimensions	Weight
