

## Treston Industrial Multi cart

This modular cart equipped with an ergonomic handle has a wide range of accessories that can be used to adapt the cart to meet the user's specific needs, and it is ideal for LEAN production environments. The cart is effortless to move and serves well as a tool cart, for example. Among others, stacking bins, different types of shelves, and perforated panels, as well as a perforated panel cabinets, can be added to the Multi cart.

- A highly adaptable, powder-coated (RAL 7035) steel cart
- Frame is available in three different module sizes (M20,M30 and M36). Frame includes ergonomic handle
- Various accessories available according to the chosen module size of the cart frame
- Total load capacity 660 lbs, height 70.5"
- Four swivel castors (ø 5"), two with brakes
- Combinations are also available with ESD protection
- Its adaptability makes this cart an ideal solution for LEAN production environments
