

## Simple Setup/Takedown

Our gantries are ideal if you require frequent assembly and disassembly, and minimal space is required for storage and transportation.

## Custom Solutions

We believe that providing the customer with all the required systems configured exactly to their needs is essential to ensure the installed project is 'fit for purpose.'

## Portable Aluminum Gantries

Met-Track® aluminum gantry cranes feature lightweight construction for easy portability. Each system comes complete with a load trolley for a simple all-in-one solution ideal for remote or difficult locations.

- Loads up to 4000lbs
- Spans up to 20 feet
- Over 50 standard models
- Simple to assemble/disassemble
- Lightweight, portable design
- 360° swivel locking castors
- Low cost
- Made in the USA
- Hoist trolley included
- Six locking pins
- Carry handles and folding legs for transportation
